

# SERIES 1

---

## FEATURING:

HOURS

MINUTES

SECONDS

“Following the appearance of the GREAT Britain watch in November 2013, I was inundated with requests to create a time-only wristwatch.”

The new Series 1 is Roger's response: A 38/40mm cased, manually wound wristwatch displaying hours, minutes and seconds.

ROGER W SMITH

## MOVEMENT

- Roger W Smith's latest single wheel version of the Daniels co-axial escapement
- Free sprung Quadrajust balance
- 18,000 vibrations per hour
- Raised barrel bridge and balance cock, engraved with a choice of English floral designs
- English finished with frosted and gilded plates
- Gold chatons and flame coloured screws to a purple/blue hue
- Numbered and signed, R.W. Smith - Isle of Man

## DIAL & HANDS

- A choice of materials can be used to create a unique engraved or engine turned dial and a complementary set of the unique Roger W Smith's sculpted hands

## CASE

- A choice of platinum or 18 carat yellow, red and white golds
- A choice of 38mm or 40mm diameter
- Sapphire crystals to front and rear

## STRAP & BUCKLE

- A leather strap with matching buckle to suit the case material
- Engraved R. W. Smith buckle

## PRESENTATION BOX

- An English worked, leather presentation box
